

2009

Deminar™

September 10-12

This class puts an emphasis on Concrete Technology: on-site use of admixtures including color, accelerators and the important principle of “step retardation” as well as mix designs and even some business management tips. The modules include Stamped and Stenciled Concrete, Decorative Stains, Micro Topping, Stamped and Stenciled Overlays and Vertical Stamping. **Having concrete experience allows for a more complete understanding of the information.**

Cost: \$750.00 per person. This is a flat rate per person. (Group discounts are not offered) Repeat attendees receive \$100 store credit. Payment is due upon registration. Credit cards are accepted.

enCOUNTER™

November 12-13

The two day Countertop class will include both studio cast and cast in place techniques. enCOUNTER Professional Countertop system will be used by the students in hands on training. Attendees will use enCOUNTER reusable enFORMS & the new single use smooth edge rails and sink molds. Attendees will use enCOLOR, enMAGIC, Sedona Concentrate Acid Stain, SS Rainbow System, enPOXY, enSPARTIC and probably lots more. Attendees will learn to about sink and range block outs, backsplashes, reinforcement, mixing, admixtures, special effects, sealing and Thin Wall Technology. **Concrete experience is helpful but not necessary.**

Cost: \$750 per person. Payment is due upon registration. Credit cards are accepted.

August 27-28 •

September 24-25 • October 22-23 • December 10-11

It sounds like a dream come true: Turn out perfect floors you walk on one hour after the final sealer coat - or drive on the next day. With One Day Floors this feat is easily doable and it looks spectacular. The One Day Floors integrates Joe Sheehans' “Prep Perfect” system with the latest advances in polyaspartic coating technology with the popular floor chip and quartz systems to deliver “table top flat” floors even with this revolutionary thin mil coatings process. The One Day Floors Sealer delivers superior abrasion, chemical and UV resistance with no hot tire pick up. Our polyaspartic can be applied in extreme heat or cold conditions regardless of humidity level. One Day Floors is perfect for indoor or outdoor projects. No more three day projects!

Certification: Upon completion of the class, you will receive your certification. Only factory trained and certified installers will have access to the One Day Floor product for use on garage chip floors, quartz floors, stained flooring and the 15 year warranty. Certification also allows you special class discount on equipment and product.

Cost: \$500 per person. This is a flat rate per person; we do not offer group discounts. Payment is due upon registration. Credit cards are accepted.

Important Details for OKC Training

Cancellation Policy: The Stamp Store requires 14 days advanced notice for cancellations in order to fill any last minute positions left open. Any cancellations, including no-shows received after the 14-day cut off period will be charged the following fees for each class:

Deminars: \$300.00 cancellation fee
One Day Floors: \$100.00 cancellation fee
enCOUNTER: \$300.00 cancellation fee

Lodging: The Holiday Inn provides discounted room rates to all Stamp Store training attendees, when you call to make your reservations you will need to let them know that you are attending The Stamp Store Training The contact information is as follows:

Holiday Inn Hotel & Suites
6200 N. Robinson
Oklahoma City, OK 73118
405-843-5558

Lunch: The Stamp Store provides lunch each day. If you've ever been here before, you know this is a special daily treat.

Training Times: Training begins at 8:00 AM each morning. The training will conclude around 4:30 PM each afternoon. If you are attending a Deminar, it will conclude on Saturday around 11:30 AM and lunch will be served.

Class Size: Class size is limited in order to maximize the hands-on learning experience. The training is conducted by ACI Certified finisher Doug Bannister, who was recently recognized by Concrete Construction as one of the Top Ten Most Influential People in Concrete. The One Day Floors training will be conducted by Joe and Jerry Sheehan, two of the top floor people in the nation, as well as Doug Bannister and Tim Frazier.

Purchases: Our training is far more informational and educational than sales oriented. However, we are available to assist you in choosing materials on Friday or for the Deminar, on Saturday morning. Please have your order form completed and ready before the end of the training session if you plan on taking materials with you.

Discount: Purchases made during the class and up to 1 week afterwards receive a 5% discount for participants in the Deminar and enCOUNTER class.

Note: You have a full week to get your discount on your first purchase after attending the training. If you choose to drive yourself you may want to consider taking your product with you to save on freight costs.
