Which stain, which sealer for which floor? Learn the advantages of acid stain, water borne stain and dyes, when and where to use them, and in what sequence. What sealer or coating to use for what type of floor? What is efflorescence and how to deal with it.

☆ **Stamping** **June 18**

Mix designs and admixtures to use for durability and profitability. Stamping tips and tricks, many ways to color, different colored monolithic borders and ribbons, inlays, step retardation, problem solving and problem preventing, pricing, marketing, setting yourself apart.

☆ **NEW! Stamping Pervious Concrete**..... **September 17**

Learn about pervious concrete, an innovative building material with many environmental, economic, and structural advantages.

☆ **NEW! Hand Carved Vertical** **June 23-25**

Industry leader and guest instructor, Nathan Giffin from Vertical Artisans will teach this class. Learn the art and techniques of handcarved vertical concrete that look like real stone. This three day class is only \$995 and included a years subscription to all of the online videos through www.VerticalArtisans.com, (retail value of \$795.00.)

☆ **Stamped Vertical**..... **August 13**

Learn the many and varied uses of the SS Vertical Stamp product, how to prep, reinforce, apply, stamp, carve and color for rocks, waterfalls, interior and exterior walls, fences, fireplaces.

☆ **Decorative Overlays and Repair** **June 4, July 9, November 19**

Learn surface prep, how to choose the right product for the job. Coloring and sealer/coating choices are explained and explored.

☆ **Countertops, Sinks, and Tables** **June 11, August 27, November 12**

This class will teach the versatility of concrete as a countertop, table, shelving, back splash, baseboard, fireplace surround, sink and sealer material both in cast-in-place and pre-cast methods. Coloring, reinforcement and protective coatings as well as polishing and special effects.

☆ **One Day Floors** **May 21, September 24**

This class emphasizes the importance of floor forensics, surface preparation, and proper selection of the One Day Floor systems to meet specific project conditions. The One Day Floor's Moisture Mitigating system is explained and how it reduces vapor transmission of more than 10 pounds to less than 2 pounds. Learn how to properly apply this versatile material.

☆ **NEW! Ez Top**..... **July 16, October 15**

Learn about the fast way to transform an ordinary existing countertop (without tearing it out) to a beautiful and hard wearing concrete countertop using the specially formulated SS Specialties countertop overlay system.

Important Details for OKC Training

Cost: All one day classes are only \$250 each when paid 30 days prior. After that, the class cost goes to \$295 each. Class discount is given when participants buy 3 classes and receive the 4th class free! The cost of the 3 day vertical class is \$995.00

Reservations Required: A spot is reserved with payment.

Cancellation Policy: The Stamp Store requires 14 days advanced notice for cancellations in order to fill any last minute positions left open. Any cancellations, including no-shows received after the 14-day cut off period will be charged \$50 per class.

Lodging: The Holiday Inn provides discounted room rates to all Stamp Store training attendees. When you call to make your reservations you will need to let them know that you are attending The Stamp Store Training. The contact information is as follows:

Stone Garden Hotel & Conference Center
6200 N. Robinson
Oklahoma City, OK 73118
405-843-5558

Lunch: The Stamp Store provides lunch each day. If you've ever been here before, you know this is a special daily treat.

Training Times: Training begins at 8:00 AM each morning. The training will conclude around 4:30 PM each afternoon.

Class Size: Class size is limited in order to maximize the hands-on learning experience.

Trainers: We have a variety of trainers. Two of our very best trainers are Tim Frazier and Rick White. Of course, The Stamp Store owner Doug Bannister will also be on hand. Our bilingual trainer, Sal Charqueño will be on hand to translate all information as needed. The vertical class is taught by Nathan Giffin of Vertical Artisans.

Purchases: Our training is far more informational and educational than sales oriented. However, we are available to assist you in choosing materials after the class. Please have your order form completed and ready before the end of the training session if you plan on taking materials with you.

Discount: Purchases made during the class and up to 1 week afterwards receive a 5% discount for participants.

Note: You have a full week to get your discount on your first purchase after attending the training. If you choose to drive you may want to consider taking your products with you to save on freight costs.
